

# Close Pitch Valve Gate Nozzles

Toyota Sienna Interior Vent

**Materials:** 20 % GF PBT / Talc Filled PP

**Cavitation:** 2 +2

**Cycle Time:** 25 seconds

“We had an application for close pitch valve gates. Technoject had the solution from Heitec. We produced millions of components over the life of the project with less than 0.5 % scrap rate, month after month”

**Paul Lanning, Ventra Manufacturing Inc.**
